2026 Westlock Golf Club Membership Terms, Conditions, and Perks

Congratulations on your purchase of a 2026 membership to the Westlock Golf Club (WGC). Via this purchase, you agree to follow the WGC Bylaws in accordance with Alberta Societies Act, as well as the internal Policies and Procedures. Copies of Bylaws and Policies and Procedures are available to all Membership via the WGC website, or physically at the Golf Club. Members failing to abide by these outlines are subject to Membership suspension or termination with no refund.

No refund of membership or parts thereof will be considered beyond one month after opening day of the golf course. For refund requests before this date, the member will bring their request to the General Manager, who in turn will bring the request to the Board of Directors for a decision.

The Westlock Golf Club is proud to employ various summer students, young professionals, and others each season. The WGC holds a **zero-tolerance policy** in regard to abuse, both physical and verbal, towards staff. Abuse of this nature will result in immediate termination of Membership with no refund. Membership questions and issues can be taken directly to the General Manager/Head Professional, or WGC Board of Directors.

Membership categories are tailored to each member's age and situation. Couples Membership applies to two (2) adults who are legally married or in a recognized common-law relationship, residing together at the same primary residence. Proof of shared residence and/or relationship status may be requested by management.

An Individual Cart Seat Pass covers the Members seat only. Players without a cart pass will need to pay for their own seat. To maintain efficient pace of play, single-player members and guests may be required to pair with other single-players in the same cart and may be moved on the tee-sheet based on Golf Shop Staff discretion. **A 2-cart maximum per foursome is strictly enforced, and players may be asked to forfeit a power cart in the instance of not following this rule.**

All Members and Guests alike are required to check-in at the Golf Shop for their tee-time. **Carts will be assigned based on number. Members and guests are required to take this number.** All damages and personal safety are the responsibility of the renter. The WGC reserves the right to charge the renter for any damages not related to regular wear and tear. The WGC is not liable for any personal injury on the property, including during the operation of power carts.

Members have exclusive benefits at the WGC, including 7-day booking privileges, access to full tee-sheets online, discounts on events & tournaments, and a 10% discount on clothing items and select hard-goods in the Golf Shop.

Included in the price of your membership is all-inclusive access to practice facilities and range, a Golf Canada Membership, and 2 tournaments (Member's Opening Scramble, Club Championship). Members are encouraged to take advantage of these perks – including keeping a valid Golf Canada Handicap, making tournament and league play more fair, inclusive, and fun for everyone.

Members in good standing hold voting rights within the Club. The Annual Spring General Meeting, and a Fall Meeting is held every season at the Westlock Golf Club Clubhouse. Members are encouraged to attend these meetings to have a direct impact in the direction of the Club.
