ABOUT US

The Westlock Golf Club is a non-profit society located on Highway 18, approximately 5 minutes west of the town of Westlock. We feature an 18-hole championship style golf course, with a more traditional tight front 9, and a links style back 9.

We first opened our doors in 1935 as a 7 hole golf course. Through many different stages of innovation, we are now a modern golf club that sets the standard for rural golf in Northern Alberta.

The Westlock Golf Club completed a Clubhouse Revitalization in 2021, which saw our old clubhouse refurbished into a state of the art facility capable of hosting a variety of events.

GOLF

Boasting 18 holes winding through the Wabash Creek, the Westlock Golf Club offers a unique challenge that is suited to a variety of golfers from beginner to professional. Being just 7 KM from Westlock, and roughly an hour from Edmonton, the WGC is a fantastic venue to host your tournament.

Carts: We feature a golf cart fleet of 60, parts new in 2024 and 2026. These are complete with club covers, ball/club washers, and seed mix.

Prizing: We will provide tournament groups with rounds of golf they can use as prizing. Numbers vary by tournament size.

Beverage Service: We will be pleased to offer service from our Clubhouse, accessible at holes 1, 9, 10, and after the round. We also offer beverage cart service. As per AGLC regulations, all outside alcohol will be confiscated.

Range: The Westlock Golf Club is proud to have one of the premier practice facilities in the province: A 125 yard wide and 300 yard long two tiered grass range, a chipping/pitching complex featuring it's own green with apron and a large sand bunker, and a large two tiered putting green. Complimentary practice facility privileges come with all tournaments.

Meal Options: With our fully licensed restaurant and lounge, our team is experienced in providing your event with catered options for meals. Detailed information in the Food & Restaurant section.

PLANNING YOUR GOLF EVENT

Planning your event with us? Our team will ensure it is smooth and easy!

Numbers: In order for our team to make sure your day goes smoothly, we require final numbers a week before the event.

Starting Policy: We will work with groups to accommodate what kind of start works best for them. Shotgun starts can be discussed, and will be dependent on tournament size, date, and cart availability.

Cancellation Policy: In the event of a cancellation, all deposits will be fully returned if cancelled before 14 days. Cancellations after this time frame are not eligible for refund. For more information regarding cancellations, please contact us.

Tournament Planner: All events are required to provide a point of contact for the General Manager or Head Professional to utilize in order to maintain a healthy dialogue during planning. They are also responsible for conduct on the course, and timely payment.

Pace of Play: Tournaments are expected to complete 18 hole rounds in 4.5 to 5 hours maximum. It is the duty of the Tournament Organizer to ensure groups are aware of the time. WGC Staff will be onsite to ensure pace of play requirements are met.
